

Physics

Physics is everywhere

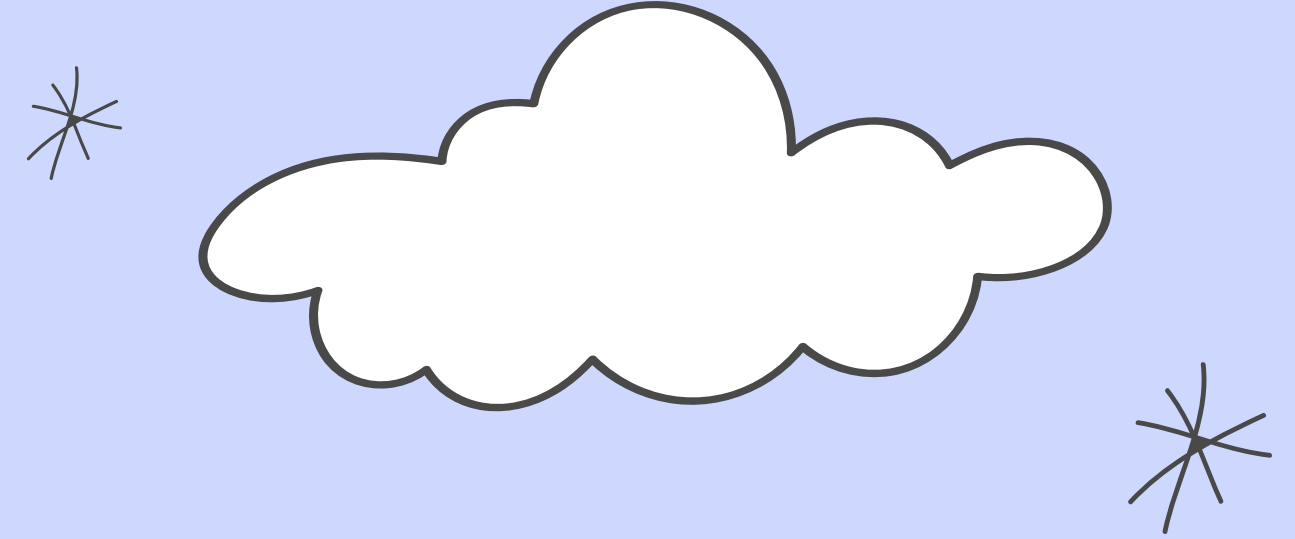

Physics

Science-

Explains properties of matter and
energy.

Explains natural phenomena

What will we learn?

A bit of everything

Physics in...

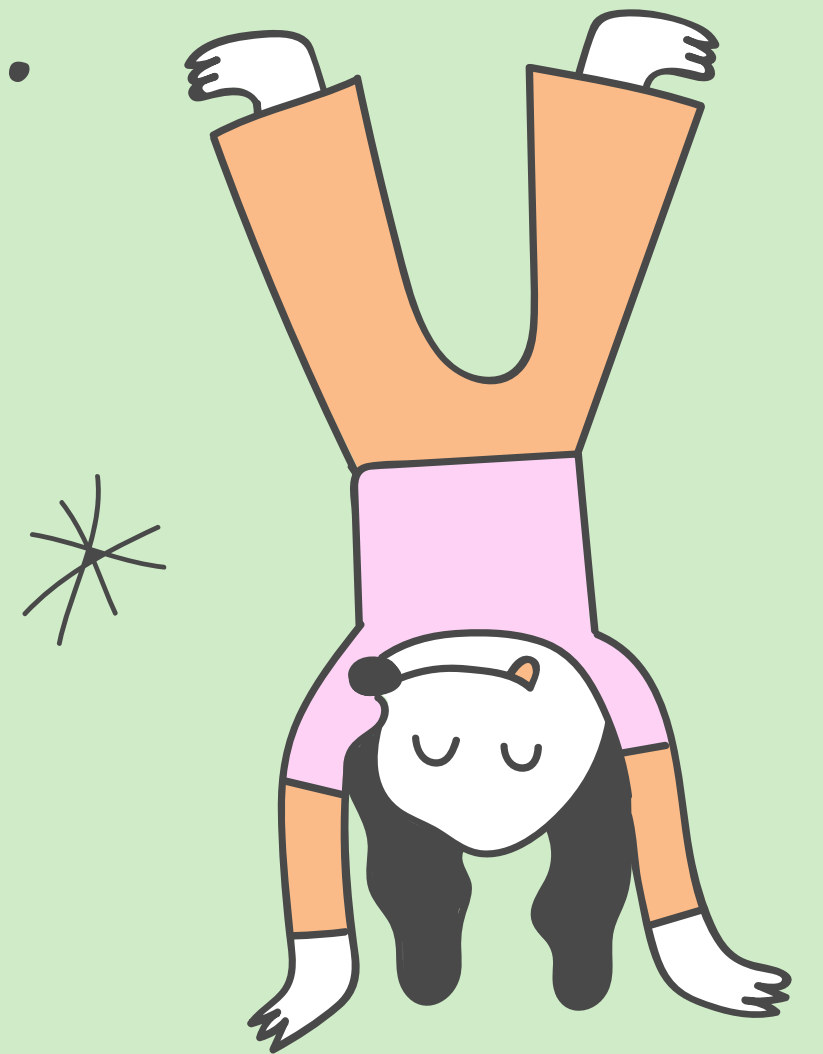

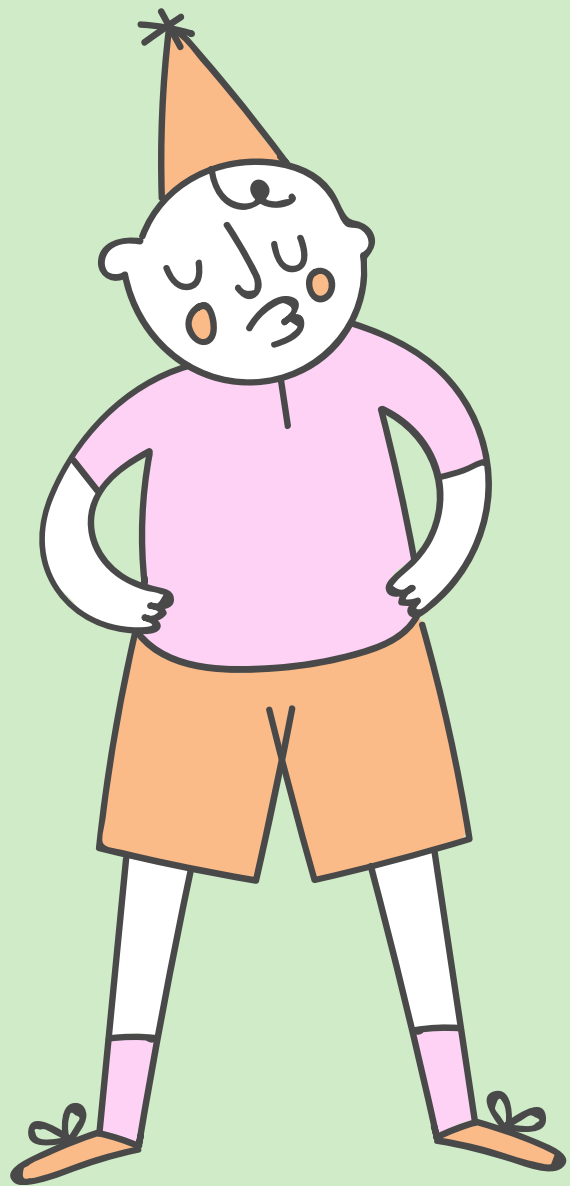

Music
Football
Arts
Economy
Our body
Medicine
Movies
Fair

Universe
Solar system
Technology
Super heroes
Parachutes
Spacial missions

How does it work?....

Physics has the answer... sometimes

Physics around us

Can you find it?

Our experience and
motivation
